Get Smart! & Frank Loose,

Here's the new one. I don't remember if Rich sent one to you or not.
I heard you played Milwaukee. Missed the show but some friends went and
said it was great (danced all night - they did!). I hang for the copies for
give away. People are in up. Best to all of you.
Until next time,
Dan Malson

Hello Syntax,

Here's the latest. I missed Get Smart AT Menlyn's
Due to lack of \$ (total lack) it's 100 miles away.

A couple of Oshkoshians went and said it was
excellent. Thanks for the give aways. The

single has been added to our "Mainstream" Rock
Programs- 50% over all schedule so it's getting more &
more airplay- June list
